

Benjamin Franklin: In Search of a Better World examines the many facets of America's most extraordinary founding father. Politician, diplomat, scientist, printer, and civic improver, Franklin influenced every aspect of American life, from his own time to the present. This book, designed to accompany the traveling Benjamin Franklin Tercentenary exhibition celebrating Franklin's 300th birthday, includes essays by ten prominent scholars that offer an overview of Franklin's life and cover the full range of his interests and achievements, illustrated by more than 265 color images—portraits, manuscripts, drawings, maps, paintings, engravings, and a plethora of Franklin's possessions, from teacups to printing equipment. This comprehensive guide, combining new scholarship with unique images—many of which have never been exhibited before—will be a must-have for anyone interested in Franklin.

Octopuses (Ocean Life), Through My Eyes: On Becoming a Teacher, Greatest Thing in the World (Miniature Library), The Moment I Saw You, The Encyclopedia Americana: A General Dictionary of the Arts and Sciences, Literature, History, Biography, Geography, Etc., Of the World.
