

Twelve-year-old Babe lives for baseball, it's his life, and he's pretty good, too. But he begins to hear voices--on and off the field and it's driving him crazy. Who's talking to him and why? And the mystery deepens when Babe's best friend, Gonzo, shows up one day with a black eye but why won't Gonzo reveal who gave it to him. *Catcher in the Sky* is a middle-grade novel about friendships, bullying and, of course, baseball. While *Catcher in the Sky* is fiction, it is inspired by fact. The author's great-grandfather was a major league catcher for many teams, including New York and Boston.
