

La piece de Moliere obtint un succes formidable en France mais, au meme temps, elle fit scandale, non seulement de par son argument, la forme, elle aussi, fut critiquee, car il y a une mort spectaculaire qui heurte le spectateur. Don Juan est un libertin, un libre penseur, qui donne une interpretation du monde sans passer par la religion, consideree par lui comme une superstition. Il refuse tous les codes, tous les sacrements. Celui du mariage, notamment, est considere par lui quelque chose de banal et insignifiant. Il desire que Dieu se manifeste. C'est la provocation supreme. Il enleve Elvire, qui est une bonne s'ur au couvent. Le principe de la charite chretienne est bafoue. Il blaspheme. Don Juan est un etre du refus, de la revolte absolue. Face a lui, le Commandeur est une allegorie de l'intervention divine. Ce spectre represente l'homme que don Juan a tue, mais aussi l'eternite et la stabilite, en opposition a ce dernier qui se manifeste comme quelqu'un de superficiel et instable. Le Commandeur est la pour incarner la foi et la religion que le chevalier meprise, incrimine et defie a la fois. Elvire est l'innocence, le mariage en tant qu'institution sacree, l'amour dans sa purete. L'ange gardien a vocation de sauveur en derniere instance du pecheur invetere et endurci.

Sheep Husbandry: A Work Prepared For The Farmers Of Tennessee, To amend title XIX of the Social Security Act to establish programs to improve the quality, performance, and delivery of pediatric care., The world of birds: a comprehensive guide to general ornithology, Classical Mechanics (Pt.1), Strings Around the World --Folk Songs of the U.S.A.: String Bass,
