

Justin Naby, whose name means prophet in Hebrew, is an Agent for the NSAs Special Archives Department, a team that by the power of the Holy Spirit, can travel through time. Using video, they record history for those living in the Last Days, when truth becomes scarce. Terrorists and human traffickers fear him, for his team is able to intervene, often inviting those who do evil to follow Christ, erasing many tragedies. To friends and family, he is a husband, father and government employee. To the world after 2051, he is known as Justin Time.
