

Four years in the making, Mangia Bene! is a loving tribute to a young woman's grandmother, whose family immigrated to America from Italy some 100 years ago. The combination of recipes will not be found in any cookbook, as it is a mixture of home-style Italian family recipes and the various augmentations made to them as the family grew. It offers new family recipes of all ethnic varieties brought into the mix by means of marriages, travels, friends, and experiences. Appealing to all ages and levels of cooking, the book is further enhanced with family stories and traditions, giving the reader a real sense of growing up in an American Italian household.

A Catalogue of 16,748 Southern Stars Deduced by the United States Naval Observatory From the Zone Observations Made at Santiago De Chile, Honky-Tonk Parade: The New Yorker Profiles, The prisoner at the bar; sidelights on the administration of criminal justice, Mia (American Girl), GNVQ Business Intermediate, Lux Mundi: A Series of Studies in the Religion of the Incarnation (Classic Reprint), Hope For Winter: The True Story Of A Remarkable Dolphin Friendship (Turtleback School & Library Binding Edition), Gendering Europeanisation (Multiple Europes),
