

One Hard Bitch is a thriller and a black comedy, though the subject matter is far from funny. It chronicles the journey of one Victoria "Vicky" Sterling. Vicky is ever so twisted, ever so downtrodden, to the point that we sometimes don't know how to empathize. Fortunately for us, she has been written as a vibrant and authentic being, equally repulsive and charming. This starts to define her as a distant, cool, emotionally numb person, albeit one with a capacity for violence. One Hard Bitch is a twisted but hard to put down fiction. It's equal parts fun, creepy, twisted, measured and entertaining. The themes may be shocking, hyper-sexual at times and oh-so-definitely adult, but they keep the reader engaged nonetheless.
