

Operation Phantom An action packed thriller by Gilbert H Mackin In this short thriller, US Special Forces fight enemy forces during a CIA planned mission. The objective is to snatch a key nuclear scientist from a mysterious island in hostile foreign territory. After insertion by skydiving from a high altitude aircraft, elements of Delta Force join operators from SEAL Team 6, who sneak in submerged. Together they battle to salvage a top secret special operation gone awry. The story takes a little less than two hours to read. It is full of unexpected twists and turns and exciting action.
