

During those prehistoric time, the Maratha-God said "In short you can say that the soul which does not forget his goal after repeated rebirth and re death cycles and run behind truthful duties are called Maratha or dev or immortal souls. But those soul who forgot his/her goal, due to repeated rebirth, re death cycles and run behind woman vaginal hole and forgot his duties is called non-Maratha or ordinary human being soul. In this sense the Marathas are immortals or Devs or Gods or die for duty or martyrs. Whereas the non-Marathas are truly mortals or non-Gods or non-Devs, flee away from duty, non-martyrs. Ultimately non-Marathas becomes Danavs, Dons, dians and killed by God. So be smart while performing your duties, always listen to your inner voice. Your inner voice is non-greedy. Always connected to your previous birth target allotted by the Supreme God. Always remain connected to the Supreme God. Always do favor to the justice, die for the justice, work for the justice, do not accept or give corruption. Your inner voice is very close to God. After repeated habit of listening to the inner voice, one day you will become Maratha dev. Since nobody even death can not stop Maratha-dev-warriors from hitting the goal. That is why Marathas are God. Set your life goal must be to become Maratha and then Martyr death ,then onwards to immortal Gods and goddesses only. So be smart.
