

If the purpose of 1st Thessalonians Four is not to promise the Church that it will avoid the tribulation, then what is the meaning behind Pauls references to the Day of the Lord, and That Day, in his Thessalonian Letters. The Last Enemy of Christ provides overwhelming evidence that an unseen timeline supports Pauls eschatological statements. The Apostle Paul shares three remarkable insights about Christs station at the Fathers right hand. In 1st Corinthians 15 Paul says that the time for Jesus to be seated has a definite duration - until Your enemies are made Your footstool. At time will come when Jesus returns in like manner as He was taken up into heaven. Paul and Psalm 110 state that the triggering event will be the defeat of Jesus enemies. Thirdly, Paul writes that the last enemy to be overcome is death. The Last Enemy of Christ explains why the death to be overcome was not Jesus own resurrection, but instead this death is the victory over death that is known as resurrection of the dead. This assessment also agrees perfectly with Pauls own interpretation of End-Times events, as will be demonstrated by constructing the timeline. Pauls acute knowledge of the End was based on three key sections of scripture. These verses reveal a hypothetical framework which is put to the test by examining Pauls Epistles concerning the Lords return. Pauls chronology agrees with the assumption that the last enemy to be overcome is death. Learn how Paul employed his knowledge of Daniel Chapter 12 to comfort the Thessalonians. Find the real comfort in Gods promised resurrection of the dead. Anyone interested in end-times prophecy will be enlightened by this little book.
