

The Bible that helps you see yourself as God sees you. No matter what your stage in life, you're probably facing a challenge or a change. Whatever you're facing, you probably share your struggles with a friend. Now imagine your friend has incredible wisdom and is available anytime of the day or night! That's what this Bible is about: becoming who you are in Christ through your relationship with him. * 100 Myth articles---States a commonly accepted myth that the world tells you is true, then refutes the myth with the truth of God's Word. * 30 Ask Me Anything notes---Profiles a woman from the Bible in an interview format where the biblical woman speaks to the modern readers about the life issue she faced. * 200 Conversations notes---Penetrating questions to reflect on, either alone or with a friend or mentor. * 200 He Is callouts---Highlights an attribute of God as shown or taught in Scripture and teaches how that affects a woman's identity. * 300 At Issues notes---Short teaching notes on life topics such as money, sex, or pride. * 66 book introductions * Topical index * Back matter articles on topics such as mentoring, developing a consistent quiet time, Bible reading plans, memorizing Scripture, etc. True Identity is designed to help you live out who you are in Christ in practical ways as a woman living in today's world. Drawing on the truths of Scripture, the features in this Bible will strengthen you with insights and encouragement for the issues you face. Some of the features include: Myths: Ill never be free from my past. If I'm good, God will love me. My husband is the only one who needs to change. If I'm a good Christian, then nothing bad will happen to me. My company owes me. You've heard them before. How many do you believe? They're commonly accepted myths of our culture---myths about love, relationships, God, fulfillment, sex, faith, right and wrong, and a lot more. Don't believe the lies of this world! The 100 Myths articles in True Identity expose different myths that many women believe. Each article opens with the first-person story of a woman who believes a particular myth and how that affects her life. A statistic or quote shows how common the myth is in our society or what someone has said about it. Then, most importantly, principles from the Bible refute the myth and offer practical guidance and help. At Issue: The stakes are high when it comes to issues such as marriage, conflict, money, sex, or pride. You need wisdom from God's Word---and At Issue provides it. These 300 succinct notes take you to the heart of important topics, equipping you with biblical insights that can help you face common concerns with uncommon wisdom. Ask Me Anything: If you could sit down with different women of the Bible and ask them about their lives, what would they tell you? In the form of personal interviews, Ask Me Anything profiles introduce you to 30 women from the Bible. Offering frank insights drawn from the best and worst of their lives, they have much to say about life today. He Is: Who is God and what is he like? You'll find out as you read through the He Is notes. Highlighting attributes of God, each note gives you a bigger picture of the God who loves you and longs to be in relationship with you.
