There in the huge City Park, he encounters a talking Ant (Ant Ethel). She inspires him to write a song that tells children not to purposely step-on Ants (or hurt any animals).. They become a famous singing team with a big hit record (If Ants could Talk!) and travel the world promoting their message. Story 2: Theres A Goose in Mrs. Alexanders Kitchen-Vinny (n Ant Ethelâ€™ being the main characters of all these stories, etc.) tells of his childhood on Mrs. Alexanders Farm. As a boy, he has a terrible habit of leaving the screen door open.. which Mrs. A has often warned him not to do. After a fishing trip, he returns to see exactly why she has told him to keep it closed! The moral?.. Punishment is for a good reason! Story 3: The Tale of the Troll n Me-Vinnys boyhood account of meeting a Troll; under a bridge, that no one else would ever cross over. Sometimes things are not what they appear to be!.. n Not all strangers are sinister.. But, still, we always must be cautious!
