

Cortes to be so desperate, and the disaffection of his followers to be 1520. so general, as increased the natural confidence and presumption of Narvaez. His first operation, however, might have taught him not to rely on their partial accounts. Having sent to summon the governor of Vera Cruz to surrender, Guevara, a priest whom he employed in that service, made the requisition with such insolence, that Sandoval, an officer of high spirit, and zealously attached to Cortes, instead of complying with his demands, seized him and his attendants, and sent them in chains to Mexico. Cortes CoRTES received them, not like enemies, but a Smed fricuds, and condemning the severity of Sandoval, set them immediately at liberty. By this well-timed clemency, seconded by caresses and presents, he gained their confidence, and drew from them such particulars concerning the force and intentions of Narvaez, as gave him a view of the impending danger in its full extent.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
